

Kwanele Gamedze

Full Stack Web developer

Summary

I am a passionate full stack developer who loves his craft. I enjoy problem solving, mostly with code. I don't just write code but I solve problems. I make sure that every line of code I write is clear, testable, scalable and maintainable. I learn everyday, I will always be better than yesterday.

Personal Details

Address: Pretoria, Gauteng, RSA

Nationality: Swaziland

Email: kwanele@coderkwan.com

Phone: +26876705039 / +27665147851

Date of birth: 05 May 1997

Skills

- 🍃 JavaScript
- 🍃 React & Next js
- 🍃 Node (Express js)
- 🍃 PHP
- 🍃 Laravel
- 🍃 SQL
- 🍃 HTML & CSS

Experience

Full Stack Web Developer April 2023 – Present
Aurora Digital Agency, South Africa

I am part of a creative team that builds elegant websites for different companies. Both local and abroad. My main tasks include back-end development with Laravel, PHP and SQL. And Front-End with JavaScript, HTML/CSS and React js.

Web Developer Intern May 2021 - August 2021

Abangani Media, South Africa

My role was to build websites and templates for clients. I was using PHP, HTMLS/CSS and Wordpress. I would also use a little JavaScript where required.

Education

Web developer April 2020 - Present

Self taught

BSc Medical Laboratory Science August 2017 - July 2019

Southern Africa Nazarene University (Swaziland)

Drop-out after the second year due to financial challenges.
